Printcbf Grows with Acquisition of HYCO Printed Products, Inc.

Cedar Knolls, New Jersey — Printcbf is excited to announce the acquisition of Wayne, New Jersey-based HYCO Printed Products, Inc. (www.hycoinc.com). The acquisition will allow printcbf and HYCO to provide their clients with the latest in print technology, high caliber products, value-added creative integrated marketing services, and more than 67 years of combined expertise in the industry. “We welcome HYCO Printed Products into the printcbf family,” says Michael Gordon, Company President.

In 1983, printcbf was founded on the basic principles of providing excellent print communications services while maintaining the highest ethical standards. Printcbf has maintained their growth by continuing to enhance product offerings to meet the changing business needs. From promotional products to barcodes and labels, printcbf has a vast array of products to fit any request. Visit www.printcbf.com to learn more.
